IMPORTANT CUSTOMER INFORMATION

You should keep a complete record of all information (including copies of letters) supplied to us in taking out this insurance.

So that you understand what you are covered for, please read this policy, the policy schedule (which may make reference to endorsements) and the certificate of motor insurance very carefully. You should pay special attention to the general exceptions and general conditions of this policy.

If you have any questions, or any of the details are incorrect you should notify us immediately via your insurance intermediary.

Notification of changes which may affect your insurance

To keep your insurance up to date please tell us straight away via your insurance intermediary about changes which may affect your cover.

Some examples are:

- You get a motoring conviction, or endorsement (including fixed penalty offences such as speeding) or a prosecution is pending.
- You get any other conviction or caution in respect of any offence involving dishonesty, fraud, robbery or arson.
- You suffer from a medical condition.
- You have an accident, loss or claim on another policy.
- The car is changed or modified from the manufacturer's standard specification or you intend to change or modify it (including the addition of optional fit accessories such as spoilers, skirts, alloy wheels etc).
- The car is involved in an accident no matter how trivial.
- You change your occupation or become unemployed.
- You intend to use the vehicle for any purpose other than that shown on your certificate of motor insurance.
- A change of address or where the car is normally kept.
- You plan to use the vehicle to carry any hazardous goods or scrap waste.
- You plan to use the vehicle for courier work, parcel or fast food delivery.

This is not a full list and if you are in any doubt you should advise your insurance intermediary for your own protection. If you do not tell us about changes, your insurance may not cover you fully or at all.

IF YOU HAVE AN ACCIDENT

Regardless of blame it is important that you take the following action:

Stop:

Stop as soon as possible, in a safe place (if you have a warning triangle, place it well before the obstruction). If anybody has been injured, call the police and ambulance service.

Sketch:

Make a quick sketch of the direction and final position of each vehicle (it is worth keeping a pen and paper in your car).

Note down:

You will need to make a note of:

- The vehicle registration number, name, address and telephone number of any other drivers involved in the accident.
- The number of passengers in each vehicle.
- The name and address of anyone who is injured (or suggesting they have been injured).
- The name, address and telephone number of any witnesses to the accident.
- The name, telephone number and constabulary of any police officer who attends the accident.

Take a photo:

If you have a mobile phone with you and it is fitted with a camera, try and take photographs to support the positions of the vehicles and the extent of damage.

Provide:

You must give your own details to anyone who has reasonable grounds for requesting them.

DO NOT:

Do not admit responsibility, either verbally or in writing. Instead, ask any other person involved in the accident to contact us on the 24 hour claims helpline number below.

By getting the other person(s) involved in the accident to ring the 24 hour helpline you will give him/her the opportunity of obtaining assistance in progressing repairs and assisting with the provision of a courtesy vehicle if the circumstances of the accident warrant this.

If for any reason you have not been able to exchange details with other drivers or owners of property or you were in collision with an animal, you must report the accident to the police as soon as possible and certainly within 24 hours of the accident.

CALL THE 24 HOUR CLAIMS HELPLINE ON – 0344 705 8183

After any accident or incident you must call the 24 hour Claims Helpline as quickly as possible following the incident (this must be within 24 hours of the incident but ideally within 1 hour). This is regardless of whether you wish to make a claim under the policy or not. Delay in notification of an incident to us may invalidate your right to claim.

Please quote your policy number and give all relevant information about the incident. If your claim is due to theft, attempted theft or vandalism you must also inform the Police and obtain a crime reference number.

The benefits you receive will depend on the level of policy cover you selected but can include:-

- FREE collection and re-delivery
- FREE car cleaning service
- Repairers' work guaranteed for three years.

Your claim and claims made against you will be dealt with as quickly and fairly as possible. Please read the General Conditions in this policy document.

For our joint protection telephone calls may be recorded and monitored by us.

Insurance provided – guide to policy cover

The level of cover provided by this insurance is shown on **your policy schedule**. The sections of this Markerstudy Private Car Insurance Policy that apply are as shown below. Cover is subject to any **endorsement** shown on your **policy schedule**.

Comprehensive

Sections A, B, C & D of this Markerstudy Private Car Insurance Policy apply.

The General Exceptions and General Conditions of this Markerstudy Private Car Insurance Policy apply to all levels of cover.

Policy Section A

Loss of or damage to the insured vehicle

What is covered

We will cover **you** against loss or damage to **the insured vehicle** (less any **excess** that applies) caused accidentally or as a result of malicious damage or vandalism (malicious fire damage is covered by Section A of this policy). Loss or damage more specifically covered under Section B of this policy is excluded.

Cover also applies under this section while **the insured vehicle** is in the custody of a member of the motor trade for servicing or repair.

Under this section we may either:-

- pay for the damage to be repaired, or
- with **your** agreement provide a replacement car, or
- pay an amount of cash equivalent to the loss or damage.

The most we will pay will be either:-

- **the market value** of the **insured vehicle** immediately before the loss, or
- the cost of repairing **the insured vehicle**,

whichever is the lower.

If **the insured vehicle** was not first registered from new in the United Kingdom **we** will not pay more than the purchase price paid by **you** at the time that **you** purchased the car.

If **the insured vehicle** is deemed to be beyond economical repair the damaged car becomes **our** property once a claim is met under the policy. **You** must send **us** the vehicle registration document and MOT certificate before **we** are able to meet the claim.

If **the insured vehicle** is the subject of a Hire Purchase Agreement **we** will pay up to the amount defined above under 'the most **we** will pay'. This payment will be made to the owner, whose receipt shall be a discharge of any claim under this section.

In-car entertainment, communication and navigation equipment

We will pay an amount of no greater than £250 after the deduction of any **excess** that applies in respect of any one occurrence for loss of or damage caused to permanently fitted **in-car entertainment, communication and navigation equipment**.

Any amount payable in respect of **in-car entertainment, communication and navigation equipment** will not exceed the value of the equipment at the time of the loss or damage after making a reasonable deduction for wear and tear.

Repairs

Repairs are normally undertaken by **our approved repairer**.

If **you** choose to use an alternative repairer

- **you** will be responsible for paying the first £250 of each claim (in addition to any other **excess** shown elsewhere in this policy booklet or on **your Policy Schedule**), and
- **we** will not guarantee the work after **you** have signed a customer satisfaction note and the **insured vehicle** has been returned to **you** by the repairer.

For any work undertaken by an alternative repairer **we** will not pay more than the cost of repairs had the work been undertaken by **our approved repairer**. In these circumstances **we** may at our option settle the claim for repairs to the **insured vehicle** by making a cash payment for the amount quoted by **our approved repairer** less the **excess** which applies to the claim.

If parts required for repairing **the insured vehicle** are not available in the United Kingdom **our** liability for those parts

shall not exceed the manufacturers' last United Kingdom list price or if not listed the price of those parts for the nearest comparable car available in the United Kingdom. **We** will not pay the cost of importing parts that are not available in the United Kingdom.

We may at **our** option use parts that have not been supplied by the original manufacturer to repair **the insured vehicle**. These parts will be subject to the **approved repairer's** guarantee.

We will not pay the cost of any repair or replacement which improves the **insured vehicle** to a better condition than it was in before the loss or damage. If this does happen **you** must make a contribution towards the cost of repair or replacement. **You** may be required to contribute to the cost of replaced items such as exhausts or tyres.

Excess

You will be responsible for paying the amount of **excess** shown on **your policy schedule**.

This amount will be increased by a further £500 if

- the claim results from the **insured vehicle** being in a collision with another vehicle and we are unable to trace the responsible third party, or
- the claim results from the **insured vehicle** being in a collision but no other vehicle is involved, or
- the claim for loss or damage to the **insured vehicle** does not involve a collision and there is no responsible party from whom we can seek a recovery.

The amounts shown above are in addition to any other **excesses** which are shown elsewhere in this policy booklet.

Protection and Recovery

If the **insured vehicle** cannot be driven following an incident leading to a valid claim under this section, **we** will pay:

- the cost of its protection and removal to the nearest **approved repairer**, competent repairer or nearest place of safety, and
- the cost of re-delivery after repairs to **your** home address, and
- the cost of storage of the **insured vehicle** incurred with **our** written consent.

If the **insured vehicle** is damaged beyond economical repair **we** will arrange for it to be stored safely at premises of **our** choosing.

You should remove **your** personal belongings from the **insured vehicle** before it is collected from **you**.

In the event of a claim being made under the policy **we** have the right to remove the **insured vehicle** to an alternative repairer or place of safety at any time in order to keep the cost of the claim to a minimum.

Guidance Notes – Flood Advice

- If possible move your car to a safer place out of the reach of floodwater before the flood strikes (e.g. to higher ground).
- Do not attempt to drive your car through floodwater as it is inevitable that this will damage your engine particularly if your car has a diesel engine or turbo charger. The policy does not pay for electrical faults and these are also likely to occur if you do drive through floodwater.
- If your car is submerged do not try to start the engine. If possible get your car pushed or towed out of the water and allow it to dry out. You may be lucky and the water may not have penetrated sufficiently to ruin the engine.

Repairs to your car resulting from flood damage are covered if your policy is comprehensive but claims will be subject to the policy excesses. A comprehensive policy will also pay for towing and damage to upholstery, carpets and stereo systems resulting from flooding but only up to the limits shown overleaf.

Policy Section B

Loss of or damage to the insured vehicle by Fire and Theft

What is covered

We will cover **you** against loss of or damage to the **insured vehicle** (less any **excess** that applies) caused by fire (other than fire by vandalism or malicious intent), lightning, explosion, theft or attempted theft.

Cover also applies under this section while the **insured vehicle** is in the custody of a member of the motor trade for servicing or repair.

Under this section we may either:-

- pay for the damage to be repaired, or
- with **your** agreement provide a replacement car, or
- pay an amount of cash equivalent to the loss or damage.

The most we will pay will be either:-

- **the market value** of the **insured vehicle** immediately before the loss, or
- the cost of repairing the **insured vehicle**,

whichever is the lower.

If the **insured vehicle** was not first registered from new in the United Kingdom **we** will not pay more than the purchase price paid by **you** at the time that **you** purchased the car.

If the **insured vehicle** is stolen and

- has not been recovered at the time of settlement, or
- is deemed to be beyond economical repair,

the lost or damaged vehicle becomes **our** property once a claim is met under the policy. **You** must send **us** the vehicle registration document and MOT certificate before **we** are able to meet the claim.

If **the insured vehicle** is the subject of a Hire Purchase Agreement **we** will pay up to the amount defined above under 'the most **we** will pay'. This payment will be made to the owner, whose receipt shall be a discharge of any claim under this section.

In-car entertainment, communication and navigation equipment

We will cover **you** for loss of or damage caused to permanently fitted **in-car entertainment, communication or navigation equipment** caused by fire (other than fire by vandalism or malicious intent), lightning, explosion, theft or attempted theft.

The most **we** will pay is an amount of no greater than £250 after the deduction of any **excess** that applies in respect of any one occurrence for loss of or damage.

Any amount payable in respect of **in-car entertainment, communication and navigation equipment** will not exceed the value of the equipment at the time of the loss or damage after making a reasonable deduction for wear and tear.

Repairs

Repairs are normally undertaken by **our approved repairer**.

If **you** choose to use an alternative repairer

- **you** will be responsible for paying the first £250 of each claim (in addition to any other **excess** shown elsewhere in this policy booklet or on **your Policy Schedule**), and
- **we** will not guarantee the work after **you** have signed a customer satisfaction note and the **insured vehicle** has been returned to **you** by the repairer.

For any work undertaken by an alternative repairer **we** will not pay more than the cost of repairs had the work been undertaken by **our approved repairer**. In these circumstances **we** may at our option settle the claim for repairs to the **insured vehicle** by making a cash payment for the amount quoted by **our approved repairer** less the **excess** which applies to the claim.

If parts required for repairing the **insured vehicle** are not available in the United Kingdom **our** liability for those parts shall not exceed the manufacturers' last United Kingdom list price or if not listed the price of those parts for the nearest comparable car available in the United Kingdom. **We** will not pay the cost of importing parts that are not available in the United Kingdom.

We may at **our** option use parts that have not been supplied by the original manufacturer to repair the **insured vehicle**. These parts will be subject to the **approved repairer's** guarantee.

We will not pay the cost of any repair or replacement which improves the **insured vehicle** to a better condition than it was in before the loss or damage. If this does happen **you** must make a contribution towards the cost of repair or replacement. **You** may be required to contribute to the cost of replaced items such as exhausts or tyres.

Excess

You will be responsible for paying the amount of **excess** shown on **your policy schedule**.

The amount is in addition to any other **excesses** which are shown elsewhere in this policy booklet.

Protection and Recovery

If the **insured vehicle** cannot be driven following an incident leading to a valid claim under this section, **we** will pay:-

- the cost of its protection and removal to the nearest **approved repairer**, competent repairer or nearest place of safety, and
- the cost of re-delivery after repairs to **your** home address, and
- the cost of storage of the **insured vehicle** incurred with **our** written consent.

If the **insured vehicle** is damaged beyond economical repair **we** will arrange for it to be stored safely at premises of **our** choosing.

You should remove **your** personal belongings from the **insured vehicle** before it is collected from **you**.

In the event of a claim being made under the policy **we** have the right to remove the **insured vehicle** to an alternative repairer or place of safety at any time in order to keep the cost of the claim to a minimum.

Guidance Notes - Preventing Crime

- Don't give criminals an easy ride. Car crime makes up 20% of all recorded crimes in the UK.
- Most thefts can be prevented – and it's in your interest and ours to take some simple precautions. Most things are common sense.
- Lock your car and remove your ignition key when leaving it for even a short time e.g. at a petrol station or cashpoint.
- Vehicle thieves often steal the keys first especially if the vehicle has an immobiliser and break into houses just to access keys to steal the car. Always keep keys secure even inside your home (do not leave keys where a burglar can easily find them such as on a shelf or hook).
- Do not keep items such as the car registration document, service book, MOT certificate or insurance certificate in the car and never leave any valuables on view in the car. You should remove items such as CD players, Radios/MP3 players & portable satellite navigation equipment whenever possible.
- Use good-quality locks and security devices.
- Park in a secure place if you can. If you have a garage, use it and lock it.

General Conditions

THESE GENERAL CONDITIONS APPLY TO THE WHOLE OF THE INSURANCE

1. Payment of Premium, Keeping to the Policy Terms & Avoiding Misrepresentation

We will only provide the cover described in this insurance policy if:-

- **you** have paid the premium for the current **period of insurance** using **your** own credit or debit card, and
- **you** or any person claiming protection has kept to all of the terms and conditions of this policy (including those applied by **Endorsement**) as far as they can apply, and
- in entering into this contract **you** have taken all reasonable care in answering all questions in relation to this insurance honestly and to the best of your knowledge.

Your premium is based on information **you** supplied at the start of the insurance or subsequent alteration. **You** must tell **us** via **your insurance intermediary** immediately of any change to that information, some examples are any changes to the **insured vehicle** which improve its value, attractiveness to thieves, performance or handling, any change of car, change of occupation (including part-time), change of address (including where car is kept), change of drivers, if **you** sustain a motoring or non-motoring conviction or licence endorsement or a prosecution is pending.

Under the Consumer Insurance (Disclosure and Representations) Act 2012 **your** failure to take reasonable care to avoid misrepresentation in relation to the information provided could result in **your** policy being cancelled or **your** claim being rejected or not fully paid.

If you or anyone acting on your behalf knowingly commit a fraudulent act or submit a fraudulent document or make a fraudulent statement or exaggerate any claim made under the policy, we will not pay the claim and cover under this and all other insurances currently in force with us with which you are connected will cease immediately. You will not be entitled to any refund of premium under any policy.

2. Looking After Your Car

You or any permitted drivers are required to maintain the **insured vehicle** in a roadworthy condition. **You** or any person in charge of the **insured vehicle** are required to take all reasonable care to safeguard it and its contents from loss or damage, for example the car should not be left unlocked.

We shall at all times be allowed free access to examine the **insured vehicle**.

3. Having an MOT Certificate

There must be a valid Department for Transport test certificate (MOT) in force for the **insured vehicle** if one is needed by law. In the absence of a valid Department for Transport test certificate (MOT) all cover under sections A and B of this insurance is cancelled and of no effect.

4. Accidents or Losses

In the event of an accident or incident likely to give rise to a claim which is covered under the policy, **you** must as soon as possible telephone **our 24 hour claims helpline (this must be within 24 hours of the incident occurring)**. **Please also refer to Page 3 of this policy booklet 'If you have an accident' for further guidance.**

If the loss or damage is covered under the policy, the claims helpline operator will make arrangements to remove **the insured vehicle** to the nearest **approved repairer**, competent repairer or place of safety, and safeguard the **insured vehicle** and its contents.

We will not pay for further damage to the **insured vehicle** if **you** drive it or attempt to drive it in a damaged condition.

If your claim is due to theft, attempted theft, malicious damage or vandalism, you must also notify the police and obtain a crime report number.

We have the right to remove **the insured vehicle** at any time to keep claims costs to a minimum. If the **insured vehicle** is damaged beyond economical repair **we** will arrange for it to be stored safely at premises of **our** choosing.

If **we** ask to examine driving licences and vehicle documentation before agreeing to settle a claim under this policy **you** must supply this documentation before **we** can proceed with the settlement.

Any indication of a claim against **you** must be notified to **us** as soon as possible. Any writ, or notification of civil or criminal proceedings should be sent to **us** by recorded delivery immediately.

We shall be entitled to take over and conduct the defence or settlement of any claim or prosecute any claim in the name of any person covered by this insurance.

5. Claims Procedures

No admission of liability, payment or promise of payment shall be made or given by **you** or any person on **your** behalf. No proceedings may be commenced against, or settlement accepted from, any other party without **our** written consent.

We shall have discretion in the conduct of any proceedings or in the settlement of any claim.

You must give **us** whatever co-operation, information and assistance **we** require in dealing with any claim under this policy.

If there is any other insurance in force which covers the same loss, damage or liability as this insurance, **we** will only pay **our** proportionate share of the claim.

6. Cancellation

Owing to the nature of this short period policy and associated administration costs, there is no refund of any monies paid in the event of the policy being cancelled either by **you** or **us**.

There is no 'cooling-off' period for policies of less than one calendar month's duration.

Cancellation by Us

We or your Insurance Intermediary can cancel this policy at any time if there are serious grounds to do so, including but not limited to the following examples:

- where **your insurance intermediary** has been unable to collect a premium payment (payment terms including the procedures in the event of non-payment of the premium will have been agreed between **you** and **your insurance intermediary** when you took out this policy); or
- **you** have failed to take reasonable care in providing information in relation to this insurance as required by General Condition 1 of this policy; or
- **you** have failed to supply requested validation documentation (evidence of No Claim Discount, copy driving licence, etc.); or
- **you** have failed to co-operate or provide information and assistance in relation to any claim under this policy or with regards to the administration or operation of this policy; or
- where **you** fail to maintain the **insured vehicle** in a roadworthy condition or **you** fail to look after it in accordance with General Conditions 2 and 3 of this policy; or
- where **we** have grounds to suspect fraud or misrepresentation; or
- where **you** use threatening or abusive behaviour towards a member of staff of **your insurance intermediary** or **our** supplier.

We will do this by giving **you** 7 days' notice in writing to **your** last address notified to **us**. **Your** last notified address may include an email address nominated by **you** to accept correspondence.

Cancellation by You

You can cancel this policy at any time by contacting Sky Insurance either by telephone or in writing.

Guidance Notes – Policy Cancellation

Any charges levied by your insurance intermediary will be in accordance with the terms and conditions agreed between you and them at the time you arranged this insurance.

The policy can only be cancelled from the date and time instructions are received by your insurance intermediary - Sky Insurance, or at a later date as requested by you.

7. Total Losses

If as a result of a claim the **insured vehicle** is determined to be a total loss this policy will cease without refund.

8. Right of Recovery

- If under the laws of any country in which this insurance applies, **we** have to make payments which but for those laws would not be covered by this policy, **you** must repay the amounts to **us**.
- **You** or the person who caused the accident must also repay **us** any money **we** have to pay because of any agreement **we** have with the Motor Insurers' Bureau.

Any payment **we** make under this condition will mean that there will be no entitlement to a return of premium if the policy is cancelled or declared void.

9. Car Sharing

This policy allows **you** to carry passengers for social or similar purposes and **your** receipt of a mileage allowance or a payment by a passenger towards the cost of fuel will not invalidate cover as long as:

- **you** do not make a profit from the car sharing arrangement, and
- **your** car is not adapted to carry more than eight people (including the driver) and
- **you** are not carrying passengers as customers of a passenger-carrying business.

Persons (including his or her appointed representatives) pursuing a claim in respect of a road traffic accident (including citizens of other countries) may also obtain relevant information which is held on the MID.

It is vital that the MID holds your correct registration number. If it is incorrectly shown on the MID you are at risk of having your vehicle seized by the Police. You can check that your correct registration details are shown on the MID at www.askmid.com

Fraud Prevention and Detection

In order to prevent and detect fraud we may share information about you with other organisations and public bodies including the Police. We may check and/or file your details with fraud prevention agencies and databases, and if you give us false or inaccurate information and we suspect fraud, we will record this.

We and other organisations may also search these agencies and databases to:

- Check your identity to prevent money laundering.

In addition we may undertake additional fraud checks, which may include requests for copy driving licences, utility bills and other documentation to establish the identity of any person applying for insurance.

To detect and prevent fraudulent claims and/or activities by undertaking searches against your (or any person included on the proposal) DLN against details held by the DVLA to confirm your licence status, entitlement and restriction information and endorsement/conviction data. This helps insurers check information to prevent fraud and reduce incidences of negligent misrepresentation and non-disclosure

Claims History

Insurers pass information to the Claims and Underwriting Exchange Register, run by Insurance Database Services Ltd (IDS Ltd) and the Motor Insurance Anti-Fraud and Theft Register, run by the Association of British Insurers (ABI). The aim is to help us to check information provided and also to prevent fraudulent claims. Under the conditions of your policy you must tell us about any Insurance related incidents (such as fire, water damage, theft or an accident) and whether or not they have given rise to a claim. When you tell us about an incident we will pass information relating to it to these databases. We may search these databases when you apply for insurance, in the event of any incident or claim, or at time of renewal to validate your claims history or that of any other person or property likely to be involved in the policy or claim.

Credit Searches and Accounting

In assessing an application for insurance or policy renewal, we may search files made available to us by credit reference agencies. They keep a record of that search. Credit reference agencies share information with other organisations, enabling applications for financial products to be assessed or to assist the tracing of debtors, or to prevent fraud. We may ask credit reference agencies to provide a credit scoring computation. Credit scoring uses a number of factors to work out risks involved in any application. A score is given to each factor and a total score obtained. Where automatic credit scoring computations are used by us, acceptance or rejection of your application will not depend only on the results of the credit scoring process

Other Insurers

We may pass information about you and this policy to other insurance companies with which we either reinsure our business or who are dealing with a claim made under this policy. In addition, information may be passed to other insurance related organisations in common with industry practice. These companies may be located in countries outside the UK but within the European Economic Area ("EEA"). We may also share data with other group companies who may be located outside of the EEA.

Transfers

Sometimes your information may be transferred outside the European Economic Area by us, by the organisations with whom we share your information or by the servants and agents of these organisations. If we do this we will seek to ensure that anyone to whom we pass it provides an adequate level of protection

Sensitive Data

In order to assess the terms of the insurance contract or administer claims which arise, we will need to collect sensitive data for example medical history or criminal convictions. We will not use this data except for the specific purpose for which you provide it and to provide the services described in your policy booklet.

On payment of a small fee you are entitled to receive a copy of the information we hold about you.
